

ENVIRONMENTAL POLICY

Baseline Group is committed to conducting our business in an environmentally aware and responsible manner. We seek the co-operation of our employees and business partners in ensuring our organisational practices are conducted with minimal environmental impact.

Objective

To work with employees, contractors, visitors and business partners to achieve compatibility between economic development and the maintenance of the environment to minimise harm.

Policy

Baseline Group will endeavour to minimise impact on the following:

- Atmospheric emissions
- Site contamination and spills
- Noise Emission
- Damage to flora and fauna
- Storm water management
- Unnecessary energy consumption compliances.

To fulfil this commitment, Baseline Group, will :

- Integrating Environmental best practice into all aspects of Baseline Group operations
- prevent pollution resulting from our operations
- Comply with legislative requirements, current industry standards and co-operation with Regulatory bodies, as far as is reasonable
- Exceed legislative requirements and aiming for best practice systems of work
- Ensure continued improvement reflected in accountability/key performance indicators at all levels
